Wayne,

Attached is a letter requesting a two week extension to the deadline to submit information for the North Lease Subsidence amendment. The extension should provide sufficient time for Jerriann to complete the research she wanted to conduct, schedule a meeting between Canyon Fuel and DOGM personnel, and allow sufficient time for Canyon Fuel to prepare the modifications to the amendment as defined in the upcoming meeting with DOGM personnel.

We'll be on 'stand-by', pending notification of the meeting scheduled by Jerriann.

Thanks,
Gregg Galecki
